

Hope After Hurt is not ...

a church bashing gathering or a place to further criticize what you don't like about church or "Christians". We leave out names of people, churches or details that easily identify the organization or leaders.

We are available for one-on-one sessions for you to discuss the hurt in greater detail if needed.

We comply with the highest levels of confidentiality.

WELLSPRING IS A FAITH-BASED NON-PROFIT.

Sometimes, as Christians, we face disappointments and hurts from the very people we depend on to walk through this life with . . . other Christians.

What is Hope After Hurt?

HOPE AFTER HURT is a ministry to individuals who have suffered a deep wound in the church setting, by church leadership, or by a group of Christians.

Our goal is to restore the hurt individual into a thriving relationship with the Lord, and back into fellowship with caring and compassionate Christians. HAH is firmly rooted in Christ and is committed to providing a safe and confidential environment.

HAH is an 11-week journey to walk through the emotions of grief, fear, anger, bitterness, and unforgiveness into the promises of hope, healing, and restoration available in Jesus Christ.
